

## RAISE YOUR GAME ADDRESSES 3 COMMON ISSUES FACING LEADERS AND ORGANIZATIONS

### INEFFECTIVE LEADERSHIP

Discover clarity for yourself and your organization and develop unparalleled insight on how to listen empathetically, connect meaningfully and speak intentionally with everyone on the team. Learn why a 'player' led team will always outperform a 'coach' led team in the long run and how to encourage, educate and empower everyone to buy-in and believe-in the shared vision and mission.

### TEAM DYSFUNCTION

Cultivate a championship level culture where everyone on the team feels engaged, empowered and appreciated. Learn effective ways to deal with team members that demonstrate signs of selfishness and appear 'me driven' instead of 'we driven' as well as those that undermine authority. Uncover ways to create an effective system of accountability and to get everyone on the team to understand, embrace and star in their role.

### LOW PERFORMANCE

Learn how, and more importantly why, identity drives standards, standards need accountability, accountability creates culture and culture produces long-term, sustainable results. Learn proven strategies on how to individually and collectively eliminate distractions and live in the present, embrace change and master the unseen hours. Discover tips on how to compassionately engage team members that struggle to reach their performance potential and aren't as productive as they are capable of.
